MEMORANDUM FOR: Chief, Contracting Team, Development  
Engineering Group, OD&E

STATINTL  
FROM : [REDACTED]  
Office of General Counsel  
SUBJECT : Agreement with [REDACTED]

STATINTL

1. This is to confirm the information concerning the  
Agency's contract with referent [REDACTED] which was dis-  
cussed earlier (26 November 1976). The undersigned, subsequent  
to our talks, reviewed the appropriate CRS file and interviewed  
[REDACTED] CRS. According to an internal  
memorandum, the Agreement was signed by [REDACTED]. The STATINTL  
purchase was then reviewed by PD/OL in accordance with the  
practice attendant to such small volume CRS procurements. It  
is the opinion of the undersigned that paragraph 5 is binding  
upon the Agency. To this end, written permission of [REDACTED] STATINTL  
would be required before the set of [REDACTED] could be  
provided to an outside contractor. This information has been  
orally conveyed to [REDACTED], OD&E.

STAT

2. Although it is believed to be only remotely probable,  
if written permission is obtained by the Agency to provide the  
[REDACTED] to a contractor, it would be possible for the Agency,  
through CRS, to obtain the books in accordance with paragraph 2  
of this Agreement, i.e., \$200 per set vice \$7,000 for an initial  
purchase.
